AWARDS 2011

Throughout the past 65 years, Dillon Consulting has been recognized as a trusted advisor and a leading consultant in the industry. The awards are display to the ongoing pursuit of excellence and highlight various technical aspects, management abilities and employee engagement initiatives.

1 Educational Achievement Award

The Transportation Association of Canada recognized Dillon for its contributions to education and training through the President's Crew Program. The award distinguishes educational or training programs with elements of innovation, demonstrable payoff, widespread recognition, and improved skills sets and practices.

2 50 Best Managed Companies

Dillon was distinguished among Canada's 50 Best Managed Companies for fifth consecutive year during 2010. The award, established in 1993, recognizes excellence in Canadian-owned and managed companies with revenues over \$10 million.

The best managed designation recognizes Canadian corporate success: companies focused on their core vision, creating stakeholder value and excelling in the global economy (Deloitte, 2011).

3 50 Best Employers in Canada

At the core of the Best Employers award is employee engagement, driven by leadership, workplace culture and values, productivity, and support of performance and development. Under that context, Dillon was recognized in 2011 as one of the 50 best employers in Canada for its flexible career paths, formal mentoring and training programs, and challenging projects.

4 Green 30

Dillon's environmental stewardship was recognized in 2011 through the Green 30 award. The award is based on employee feedback, and focuses on employers' environmental strategies and activities, and their efforts to consider long-term social, environmental and economic impacts when making decisions.

5 Technical Awards

Through the years, Dillon's technical contributions to the industry have been recognized by various institutions across Canada. The following list identifies some technical accolades received in 2010:

- Award of Excellence, 2010 *Consulting Engineers of Ontario*
- Landfill Management Excellence Award, 2010 *Solid Waste Association of North America*
- Award of Excellence, 2010 *Consulting Engineers of Manitoba*
- Top 100 Infrastructure Projects, 2010 *ReNew Canada Magazine*.
